RULES:

- 1 Ridden Hack, Galloway, Pony and Riding classes shall be conducted according to EA rules, available at <http://www.equestrian.org.au/showhorse>. In particular, please note rule 3.2 *Competing riders MUST wear an approved safety helmet with the retaining harness secured and fastened.*
- 2 Any exhibitor wanting to protest against a judge's decision must lodge the protest in writing within ONE HOUR of the decision. The protest must be lodged with the HDAA's Administration and Business Manager, together with a fee of \$50 which will be refunded if the protest is upheld.
- 3 Stallions must wear a bit and at all times be under the control of a competent handler aged 17 years or over. Stallions are NOT permitted in classes unless specified.
- 4 No competitor or other person is permitted to enter a ring area and query a judge. All enquiries must be directed to the Chief Horse Steward at the Horse Office.
- 5 All exhibitors must be able to produce an official measurement certificate if required.
- 6 Proof of current registration with the recognised relevant Breed Society or Association must be available on request.
- 7 Outside assistance to competitors by word, radio or any other method in Horse Ring Events will **NOT** be permitted. If in breach of this ruling, competitors and their exhibits may be dismissed from the event and from the Showground. Competitors' names will be submitted to the ASC.
- 8 ALL competitors, including handlers, strappers, carriage passengers, must complete a 'Risk Warning' form as part of the entry process and display the allocated wrist band on competition day when inside the Showground.
- 9 **Only competitors, attendants and officials** will be allowed in the arena.
- 10 Dogs are **NOT ALLOWED** on the Showgrounds over the duration of the Show.
- 11 Stewards have the authority to control horse activities in the Show ring. **Failure to comply with directions issued by the Stewards** may result in forfeiture of entry to subsequent classes on the day and/or refusal of entries the following year.
- 12 **Class Clashes:** Please note that due to the operation of multiple rings there are likely to be clashes between some classes. In the scheduling of classes every endeavour has been made to minimise these where possible. However, due to horses having multiple registrations and as up to 8 rings may be in operation at any one time, class clashes may occur. If this occurs the competitor may have to make a choice as to which class they will compete in. Your understanding and cooperation will be much appreciated.

DEFINITIONS:

- 1 Newcomer – Eligibility restricted to a horse that has not competed UNDER SADDLE (excluding racing), prior to 1st January 2020. Once competed under saddle, such horse ceases to be a Newcomer on the 1st December that same year.
- 2 Novice - one that has never won a first prize at a show in a similar class.
- 3 Intermediate - is one that has not won a first, second or third prize at a Royal Show in a similar class
- 4 Age - where this is a condition of a class, the age of the person is on the day of the event and the age of the horse is the preceding 1st August.
- 5 District horse and District rider – horse / rider must reside permanently within Hawkesbury City Council area
6. The Concours d'Elegance (a 'Competition of Elegance') - Ring 7 – Heavy Horses, Class 715
Heavy Horse competitors only - a ridden costume class (not a fancy dress) where competitors' outfits are inspired by times gone by, when ladies and gentlemen displayed their wealth or position with fine clothes and horses. Costumes need not be 'historically accurate' but give the idea of past times. Male and female competitors are eligible and both astride and side saddle riders will be welcomed.

In keeping with the tradition of ridden Concours d' Elegance events, the following guidelines should be adhered to if possible:

- A female rider's skirt should cover the rider's legs, feet and saddle and flow back over the horse's rump. The length of the skirt over the rump of the horse should be above the end of the horse's dock and not hang too far below the rider's boot/stirrup. It should also be well clear of the hocks. The skirt should not fall off to the side of the horse or flap back showing leg or feet of the rider. A rider's jacket/bodice would be expected to have at least modest covering of the rider's body, although location/climate may dictate to what extent.
- Male competitors should be in the dress of a gentleman from times past or a military officer, once again from a previous era. The costume does not have to be historically accurate.

If a rider chooses to carry an item in hand, the item must not inhibit the rider from using both hands on the reins and should be of similar or smaller size of a hand held (riding) crop/whip.

Judging will consider an outfit that shows style and elegance, horse presentation and manners as well as the competency of rider. It will be judged aesthetically, not technically, from the picture created and not the accuracy of detail. The horse should be immaculately presented, with plaiting and/or decoration appropriate to their breed and at the competitor's discretion on whether or not it completes the individual's look of elegance.

A hat or other headwear is expected and should be in keeping with the outfit. Helmets are optional **unless under 18 yrs where it is mandatory to wear** an approved helmet. Competitors who elect to wear a helmet in place of a hat will not be discriminated against but must have it decorated to complement their outfit and its overall look of elegance.
