GENERAL INFORMATION

RULES: Please refer to the AAA Showing Rules manual dated 1st July 2023.

Entry is via gate 3, Racecourse Rd, Clarendon and must be prior to 8.00am. All vehicles and trailers must be removed from the Pavilion drop off area by 8.30am at which time the gates will be locked.

There is a one-way road system in place around the pavilion. Please respect the road rules. We share the space with sheep and goat exhibitors. It is important to unload the alpacas quickly and move the trailers as soon as possible so as not to impede traffic flow for the other animal classes which are sharing the space. All vehicles delivering animals must clearly display on the drivers' dashboards, the studs' names and a mobile phone number to facilitate contact.

ARRIVAL & DEPARTURE

Alpacas will only be permitted to enter and depart the Showground at the following times:

Arrive	Friday	6.00am – 8.00am
Arrive	Saturday	6.00am – 8.00am
Arrive	Sunday	6.00am – 8.00am

Depart	Friday	not before 4.30pm
Depart	Saturday	not before 4.30pm
Depart	Sunday	not before 4.30pm

After animals are unloaded, vehicles and trailer need to be promptly moved to the exhibitors' parking area. Exit through gate 4 and re-enter parking through adjacent gate 5. Make sure you obtain a Gate 4 pass out stamp on your wrist to allow re-entry. No vehicles or trailers may be left in, or around the pavilion or the Alpaca display areas.

We need to remember that this is primarily an agricultural show. The public has paid entrance fees to be able to enjoy the displays, exhibits and livestock for the full duration of the day time events. We need to keep our animals and fleeces on display for as long as possible each day of the show so as not to disappoint the attendees.

On Sunday, the last day of the show, the gates will close to the public at 4.00pm. All sections and commercial stands are required to remain open and available for public viewing until 4.30pm. After this time trailers will be allowed in to take animals and equipment home.

WRIST BANDS and WAIVERS

The Participants' Risk Acknowledgement & Waiver forms must be completed and presented to the registration desk at the alpaca section. The steward collecting the forms will supply a wrist band to all handlers of alpacas. Anyone leading an alpaca will NOT be permitted into the Showing or the Grand Parade unless wearing a wrist band.

A copy of this Waiver Form is attached. Please fill out on-line one copy for each handler and print off and bring them with you.

ARM BANDS: To be worn on the left arm, clearly displaying the entry number

FLEECES

CONDITIONS OF ENTRY:

1. The HDAA General regulations form part of the conditions of entry. In the event of any inconsistency, and provided there is no constitutional conflict, the general regulations of the Australian Alpaca Association Ltd will prevail. Exhibitors should refer to the AAA Showing Rules Manual July 2023.
2. AGE GROUPS - age classification shall be as at the day of the Show – e.g. an animal that turns 12 months old on the day of the Show would be entered in the 12 - 18 months class.
3. Handlers must wear AAA black shirt/Polo shirt or AAA black vest (to cover any logoed black shirt) black trousers and covered black or brown shoes. They must display wrist bands and have exhibit numbers clearly displayed in an arm band on the left arm in the Judging Ring and the Grand Parade.

ANIMAL WELFARE POLICY

Hawkesbury District Agricultural Association (HDAA) provides for the welfare and how we treat animals on the showground. The expectations and requirements are for the care of animals and if exhibitors breach these conditions HDAA may take action if required through ejecting the involved exhibitor and/or reporting the incident to the RSPCA for legal action.

An Exhibitor or Attendant of an Animal Exhibit must use all reasonable steps to ensure that the exhibit is housed and cared for in accordance with the Animal Welfare Policy.

Animal Welfare is a human responsibility that encompasses all aspects of animal well-being. This includes, but is not limited to: Proper housing, Management, Nutrition, Responsible care Humane handling, and Veterinary treatment.
