#### DEFINITIONS:

- 1 Newcomer – Eligibility restricted to a horse that has not competed UNDER SADDLE (excluding racing), prior to 1<sup>st</sup> January 2026. Once competed under saddle, such horse ceases to be a Newcomer on the 31<sup>st</sup> December 2026.
- 2 Novice - one that has never won a first prize at a show in a similar class.
- 3 Intermediate - is one that has not won a first, second or third prize at a Royal Show in a similar class

- 4 Age - where this is a condition of a class, the age of the person is on the day of the event and the age of the horse is the preceding 1st August.
- 5 Amateur Owner / Rider – the horse must be owned and exhibited by the Rider who is an Amateur (a person who in the last 2 years has not received any 'payment' for coaching, training, riding or showing any horse for another person and / or a member of the Rider's immediate family, for a period of not less than 3 months) The horse must not have been shown, or ridden or trained by a Non – Amateur, within the previous 3 months.
- 6 The Concours d'Elegance (a 'Competition of Elegance') - Ring 5 – Heavy Horses, Class 540

A ridden costume class (not a fancy dress) where competitors' outfits are inspired by times gone by, when ladies and gentlemen displayed their wealth or position with fine clothes and horses. Costumes need not be 'historically accurate' but give the idea of past times. Male and female competitors are eligible and both astride and side saddle riders will be welcomed.

In keeping with the tradition of ridden Concours d' Elegance events, the following guidelines should be adhered to if possible: - A female rider's skirt should cover the rider's legs, feet and saddle and flow back over the horse's rump. The length of the skirt over the rump of the horse should be above the end of the horse's dock and not hang too far below the rider's boot/stirrup. It should also be well clear of the hocks. The skirt should not fall off to the side of the horse or flap back showing leg or feet of the rider. A rider's jacket/bodice would be expected to have at least modest covering of the rider's body, although location/climate may dictate to what extent.

- Male competitors should be in the dress of a gentleman from times past or a military officer, once again from a previous era. The costume does not have to be historically accurate.

If a rider chooses to carry an item in hand, the item must not inhibit the rider from using both hands on the reins and should be of similar or smaller size of a handheld (riding) crop/whip.

Judging will consider an outfit that shows style and elegance, horse presentation and manners as well as the competency of rider. It will be judged aesthetically, not technically, from the picture created and not the accuracy of detail. The horse should be immaculately presented, with plaiting and/or decoration appropriate to their breed and at the competitor's discretion on whether or not it completes the individual's look of elegance.

A hat or other headwear is expected and should be in keeping with the outfit. Helmets are optional **unless under 18 yrs where it is mandatory to wear** an approved helmet. Competitors who elect to wear a helmet in place of a hat will not be discriminated against but must have it decorated to complement their outfit and its overall look of elegance.
